This year Amey Ashish Deshmukh Std. 8th is selected to represent the school at District Level Science Exhibition. His exhibite " Anti Milk Spilling Utensil" got the first prize at Taluka Level.

C) Environmental Projects: - We actively participate in the projects. Apart from participation in seminars and conferences our students regularly try to protect environment through their day to day activities. Whenever necessary we arrange rallies and awareness programs for the parents.

D) Women Empowerment: - Mata Palak Sangh is established to solve the girl students' problems. We arrange different programs to motivate girl students and encourage them to step forward in extra-curricular activities.

E) Volunteering (Creative – Cleanliness – Girls Education):- Balsabhas are arranged to encourage creativity among the students. In these programs various competitions are taken.

Cleanliness is very important factor in students' life. To nurture the habit of cleanliness, motivational awards are given to the students who maintain cleanliness in and out of the classroom. Cleanliness captain is selected from each class to maintain cleanliness. We assist Government projects for cleanliness.

We have co-education in our school, so we pay attention to girl students as we pay attention to the boys. We arrange programs to motivate girl students for higher education.

F) Sports Projects: - School level games and sports are taught in our school. Some years ago we have provided special coaching for cricket. Eminent cricket players like: - Chetan Sharma, (former cricket player and chief selector of Indian Cricket Team), Zubin Barucha, (Coach - Mumbai Cricket Association), Romi Bhindar, (Director, Rajasthan Royal) and Somi Bhindar (Cricket Player) visited the school and guided the students. During those days our school's girls cricket team had qualified for division level.

G) Summer Camps: - Hobby classes are also arranged in summer vacation to nurture the hidden talent of the students and motivate them to develop a particular skill.

H) Spoken English Programs: - We provide good English speaking environment. It is compulsory for all the students to talk in English in the school premises. Our aim is to achieve fluency in English.

I) Health and Hygiene awareness drive or Programs: - Prime importance is given to health awareness. Various health awareness programs are conducted with the help of local government bodies. Experts are also invited to guide the students.

6. ACHIEVEMENTS (STUDENTS AND TEACHERS)
